

Quick Start Photographer's Guide

www.javeaphotos.com

Scroll down on the front page
until you reach the Options Area
on the left

Click on the **Photographer Login**
option

Options

- View Cart**
- Photographer Login**
- Member Login**

Hover View: ON

Flash View: ON

NB - if you would like to send direct links, by email, of selected photos from the site (eg as part of your portfolio) you can also become a member... BUT... it requires a fresh registration as it accesses a different area to be able to use the lightbox. Most photographers don't bother, but when they do, they often register the same user name and password that they use as a photographer

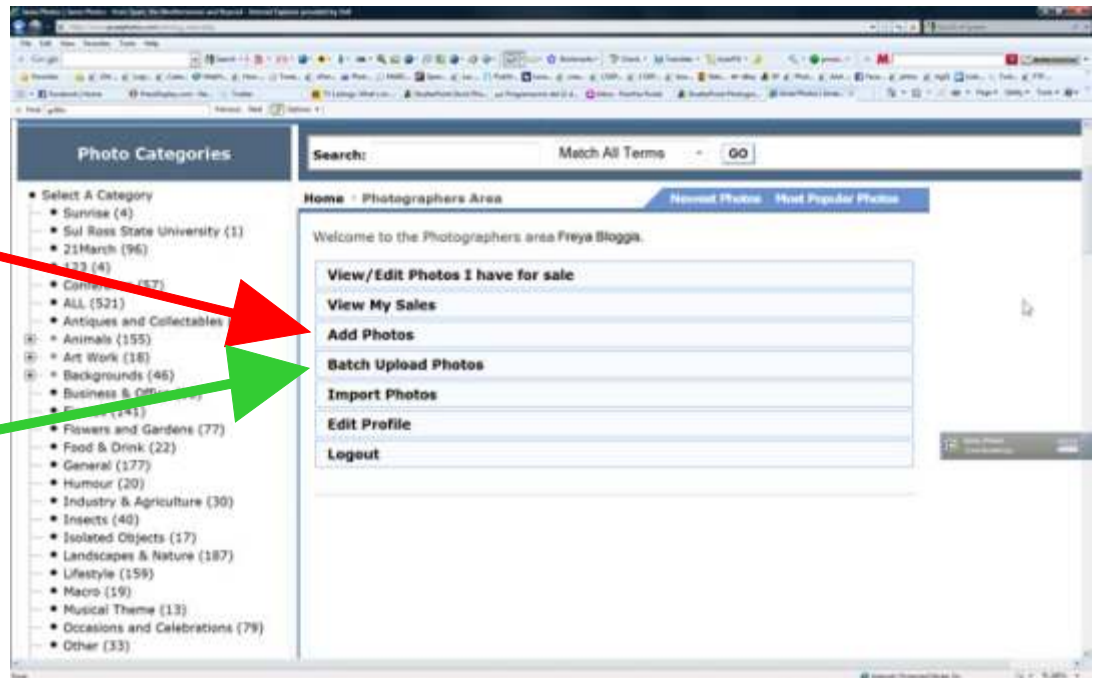

Above: Login Screen & Below: What you should see after login

Preferred

Use Add Photos to add a few at a time

Use Batch Upload to add more at a time

But remember to use Import Photos, after, to bring them into the gallery & to add details

If you have difficulties logging in, try enabling cookies and pop-ups for www.javeaphotos.com

NB: If this is the menu you see after log in then you have accidentally logged in to the Member's area
